Appearance: Gold with dazzling pink and copper reflections.

Nose: Powerful and complex, marked by notes of cherry, red berries and plum. Evolving with aeration into notes of acacia, licorice and slightly toasted aromas.

Palate: Elegant and structured. Verzenay terroir with its deep soil expresses all its power in this Pinot Noir. The 2014 harvest is perfectly incarnated with a great tension featuring red fruits, cherry, licorice and mint flavours. Very persistent, warm on the finish with a beautiful touch of salinity.
